<p>Ben 10 is an American media franchise created by Man of
Action Studios, produced by Cartoon Network Studios and owned by Warner Bros.
Discovery. The series centers on a boy named Ben Tennyson who acquires the
Omnitrix, an alien device resembling a wristwatch, which contains DNA of
different alien species. Using the Omnitrix, Ben can transform into powerful
aliens with various abilities. The Omnitrix initially contains ten aliens,
although later on Ben obtains more species by adding and unlocking their DNA.
```

```
The Ben 10 franchise has received widespread critical acclaim, winning 3 Emmy
Awards. It consists primarily of 5 television series and 5 films, the latter
of which aired between August 2007 and October 2020. Spanning over 16 years,
it is Cartoon Network's second longest-running franchise to date. There is
also a Ben 10 toy line manufactured by Bandai for the first four shows and
Playmates Toys for the reboot. Worldwide, the franchise has grossed over $6
billion in retail sales.</p>
